Story Sequencing

One day a penguin was feeling warm. He decided he needed a vacation.

He floated past big ships, a whale, a shark and a giant octopus.

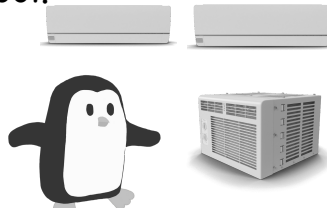

He saw some people fishing and asked them about the place. "You are in Hong Kong," the people answered.

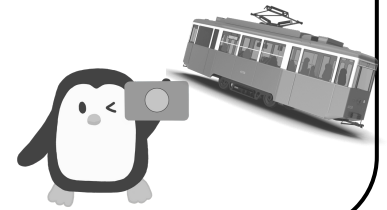

He opened his own 'air conditioning shop'. He invited his mother and father to come and live with him in Hong Kong.

He went into an air conditioning shop that was very nice and cool.

Penguin was happy and explored the beautiful view in Hong Kong.
